Dear Dejing,

RE: NSF CBL Meeting

Our property is a beautiful hotel built in 2007, we have 114-spacious guest rooms including some spectacular Spa Suites. Some of our amenities include our signature Smart Start Hot Breakfast each morning, Indoor Pool and Spa, a 24-Fitness Center, and Business Center. The rooms are beautiful and tastefully decorated; each room comes equipped with a microwave, mini-fridge, iron, ironing board, coffee maker, Smart Start Bath Experience and our Smart Bedding Package. We are located just east of the University of Oregon, 2-blocks from the New Matthew Knight Arena and close to downtown. Next to our property is the spectacular Willamette River and miles of walking paths. We believe we would be an excellent fit for your upcoming group.
